

## HOT DEALS, COOL PRODUCTS!

Summer deals from NEC - promotional pricing on selected products till the end of September! We've chosen some of our coolest products for our summer promotion bringing you red hot deals throughout the summer!

### LARGE FORMAT DISPLAYS

#### MULTISYNC® C SERIES : HIGH ON IMPACT, LOW ON COST

High-end quality and reliability yet at a low total cost of ownership! For meetings rooms, conferencing and low cost digital signage, with 6 sizes from 43" to a whopping 98", enjoy stunning visibility.

Future proof with options for embedded devices, UHD pixel-free viewing in larger formats and with a modern, slim styling; choose the C Series to create an impression without burning your budget.

[Click here for more information on the C Series displays](#)

### VIDEO WALL DISPLAYS

#### GET THE WOW FACTOR!

Adaptable, scalable and modular; NEC video wall solutions offer unlimited creativity in delivering a seamless viewing experience which demands attention. An advanced set of intelligent features make the displays easy to install and operate with drastically reduced maintenance times.

Precise synchronisation, ultra slim bezels, uniform brightness and superb colour rendition create huge digital surfaces, designed to impress.
